

Instructions for HCFA-1500 Claim Form

Standards for the HCFA-1500 Claim Form are available from the insurance commissioner and through the Utah Health Information Network (UHIN) web site: <http://www.uhin.com/uhin>. UHIN also provides the software required to bill electronically. Therefore, the Utah Medicaid agency no longer issues payer specific billing instructions for the HCFA-1500 Claim Form.

Providers who use the paper claim form should contact the Utah Health Information Network (UHIN) for standard instructions. (801) 466-7705

Please note that a claim cannot be accepted, nor can payment be made, without a correct provider number entered on the claim form (Box 33).
